Women's History Month

This month, we come together at Dogwood Village to honor the incredible women who have shaped our world, our communities, and our lives, celebrating their achievements and contributions while recognizing the wisdom and experiences of the remarkable women in our own community. Let's continue to learn from these inspiring women.

Acute Respiratory Season on the Rise

Take time to get your vaccines- Flu, RSV, COVID. Cover coughs and sneezes with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it. Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub. Avoid touching your eyes, nose, and mouth. Germs spread this way. Protect yourself and those around you!

Staff Spotlight

Steven Callaja

Director of Compliance & Education

"I live in Lake of the Woods with my wife, Lisa, and our two sons, Aidan and Matthew. In my free time, I enjoy music production, DJing, enduro biking, camping, and boating. What I love most about Dogwood Village is connecting with residents and being part of their lives. It's a place where laughter fills the hallways, shared meals feel like family dinners, and every corner has a story to tell."
