VOLUME 5

SEPTEMBER 2021

## Visitation Information:

- Visits have to be scheduled with the facility.
- Vaccinated visitors may visit with the resident inside building (need to show and provide a copy of vaccination card)
- Unvaccinated visitors need to visit with the resident outside unless resident is bedbound in which we need to schedule a face time/ window visit.
- We need to get through a round of surveillance testing with ALL negatives before restarting visits after a positive employee/ resident.
- **\*\*Please note visitation could change at any moment based on a positive employee/resident\*\* Please call Jennifer Harper with any further questions.**

## Activities:

- ◇ September 1st is Conway Twitty's Birthday! (Lets celebrate by watching a DVD Performance.)
- ◇ Labor Day Edition: Would You Rather

- Barbara Garr 9-28
- Tina Nicholson 9-30

**Monthly Birthday Bash**  
**September 3rd 2PM MDR**

It is no secret, the Delta variant has entered Orange County and our county percentage rate has increased; We must all do our part to minimize the spread, especially to our beloved residents. We continue to be focused on ensuring our residents are safe. As things are beginning to get worse out in the community, we are still required to follow the Core Principles for COVID-19. There have been no changes relative to these principles. Please remember these principles when you are visiting, this includes those that have been vaccinated. These Core Principles are: Screening of everyone will continue based on the screening questions, temperature, and signs/symptoms of COVID-19. Anyone with signs or symptoms, or those who have had close contact with someone with COVID-19 infection in the prior 14 days (regardless of the visitor’s vaccination status), will be denied admittance. Thank you for your continued support and understanding.

**Wash YOUR HANDS!**

Hands that look clean can still have icky germs!

1 Wet

2 Get Soap

3 Scrub

4 Rinse

5 Dry

## Resident Spotlight

Ms. Lucile Carter was born and raised in Orange County, Virginia. She worked as a CNA at Dogwood Village, formally Orange County Nursing Home for twenty years. She has a large supportive family, strong spiritual faith and enjoys socializing with others. She is pictured on the left with birthday balloons from her recently celebrated 90th birthday!

We would like to welcome two new staff members to our Dogwood Village team. Danielle Schneider is our new registered dietician and Nicolas Anderson is our new IT Director.

### Interesting Fact:

The rumor that apples have more caffeine than a cup of coffee is a myth.

Apples contain **no caffeine**. But it is true that apples can also help people stay awake.

Apples contain more sugar than a normal cup of coffee does, sugar triggers blood flow, hence making you feel awake.

Meetings will be held every Thursday morning at 9am in Main Dining Room...
