## What is National Nursing Assistants/ CNA Week?

National Nursing Assistants Week, which takes place on the Thursday of the second full week of June, is a week full of celebrations honoring the hard work of assistant nurses. This year, it is held from June 14 to 20. Certified nursing assistants (CNA's) began working under the Red Cross program during World War I and have served alongside U.S. Army nurses. We are so grateful for all of our wonderful CNA's here at Dogwood Village, We couldn't do it without them!
