

HEARING CARE

Over the past many years, we have been partnering with Evolution Hearing in Charlottesville to provide hearing healthcare needs, hearing aid checks, and ear cleaning for residents who are interested. We have had many residents who have expressed an interest in having their hearing assessed.

Since it can be difficult for some residents to travel to Charlottesville, we have been afforded the opportunity to provide these services and hearing aid consultations here at Dogwood Senior Living. We will hold this event on August 31, 2023, from 9 AM to 12 Noon. Residents will need a scheduled appointment and a family member or trusted advisor is strongly recommended to attend the appointment.

If you are interested in your loved one having scheduled for an appointment, please contact Annette Putman to set you up an appointment and she will provide you with the necessary paperwork that will be needed to be completed and returned prior to appointment.

A very special Happy Birthday to these ladies. They were deleted from July newsletter by mistake.
