With the warm weather upon us please be sure to ask a staff member to apply sun screen before heading outdoors. It is also wise to bring along a hat and sunglasses to protect you from the sun's damaging rays. Windows are to be kept closed at all times to keep temperature regulated throughout the facility. Hydration is extremely important, especially during the warm weather months. Be sure to drink plenty of fluids. If you do not have any ice water in your pitcher please ask a staff member to bring you some.
