AUGUST 2017

On Monday, August 21, 2017 residents and employees gathered together on the East Main terrace to watch an astronomical event take place at Dogwood's Solar Eclipse Watch Party. Residents were served moon pies and refreshments as they watched for the eclipse with their safety glasses. Residents enjoyed talking about their experience and reminisced about other eclipses they have witnessed in their lifetime.

Volunteer Spotlight

Brenda Dillion was born in Charlottesville, Virginia on May 24, 1947. She is the youngest child of Sandy and Reba Shifflett. She has two brothers and three sisters and attended Orange County High School. Brenda has been married to her husband, Jerry, for fifty two years. Together they have four children, nine grandchildren and six great grandchildren. She is an active member of Zion Baptist Church in Orange, VA. Brenda and her husband love to travel. They travel several times a year and especially enjoy traveling out west and to the mountains of Tennessee. Brenda loves to share her vacation adventures with the residents of Dogwood Village during her weekly visits. When Brenda is not traveling or volunteering her time she loves to work in her gardens and mow grass. She believes she does her best thinking while mowing grass. Brenda has been a faithful volunteer at Dogwood Village for the past five years, helping with bingo and visiting with residents. She is pictured with Florence Burruss.

A representative from the Orange County registrars office will be at Dogwood Village on September 11th, 2017 from 1:00pm-3:00pm in the Main Dining Room to meet with residents that wish to register to vote for upcoming elections.

Heartfelt 
THANKS
TO OUR VOLUNTEERS!

We ask that everyone please be mindful of the noise levels in the hallways during shift change, evening hours and while programs are in session in the main dining room. Thank you for your cooperation.

We'd Love Your Feedback!

Dogwood Village staff constantly strive to meet your needs while offering care with compassion. With this said, we want you to share with your caregivers anything that we can improve upon at any time. We will follow-up as soon as possible, Thank you for your feedback.

RESIDENT SPOTLIGHT

Ms. Penny Gallihugh was born October 8, 1961 in Charlottesville, VA to Robert and Mary Gallihugh of Orange, Virginia; she has two brothers and three nieces. Penny attended Orange County High School and has worked for Kenfair, Liberty Fabric and MPS in Orange. Penny and her mother, Mary Gallihugh, came to live at Dogwood Village in January of 2017. Penny is very social and loves to dress up; she collects hats and jewelry. Penny enjoys playing bingo, attends musical programs, going on leisure rides, participates in garden club and enjoys working on craft projects. She recently entered several of her projects into this year's Orange County Fair and was thrilled after receiving several ribbons.

FACILITY IMPROVEMENTS

Mr. Nixon, retired art teacher from Orange County school system, is currently in the process of painting a mural of the four seasons on the outside wall of the new walk in refrigerator on the West Ground terrace. We encourage all residents to stop by and admire his work. Mr. Nixon has other works of art displayed on South Main and East Main as well as at The Art Center in town.

We would like to thank our maintenance department for all of their hard work and dedication to the residents and employees of Dogwood Village.
