Kindness Rocks!

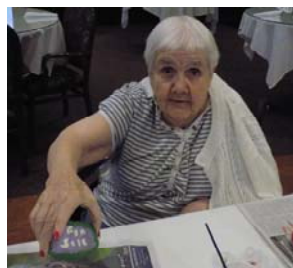

What Is The Kindness Rock Project?

Goal #1: Inspire other through randomly placed rocks along the way...

Goal #2: Recruit every person who stumbles upon it to join in the pursuit of inspiring others through random acts of kindness.

The painted rock hide and seek craze has hit Dogwood Village! Residents enjoyed using their imaginations along with creative talents to paint rocks then went on a leisure ride to hide the rocks throughout the town of Orange. We had a total of twenty two rocks and made eleven different stops. It was a fun project for everyone involved.

ORANGE COUNTY FAIR

Throughout the year many of our residents work diligently on craft projects, artwork, jewelry crafts and flower arranging which are entered into the annual Orange County Fair. This year the county fair was held July 19-22, 2017. We had forty six entries which won many blue ribbons and several best in show. Sadly, during the week of the fair a damaging storm blew through forcing the fair to close and several of the entries were destroyed. Entries that were able to be salvaged were placed on display in the main lobby of our facility. We are so proud of all of our residents and the hard work they put into their beautiful entries.

Summer Heat Safety Tips

For your safety please remember to let staff know when you are planning on going outdoors. Remember to apply sunscreen and drink plenty of fluids. Sunscreen is available at the nurses station.

Please remember to keep the windows closed during heat advisories in order keep the temperatures down in the facility during the summer months.

Friendly Reminder

Please remember to label and new articles of clothing or blankets you may receive before sending items down to laundry so they will not be misplaced. Permanent markers are available at each nurses station. If you have a missing item, please let the nursing staff know as soon as possible so they can report the item missing and locate item as quickly as possible.
