During National Nursing Home Week, May 14-20, 2017, skilled nursing home centers will unite the theme, “The Spirit of America”. The theme underscores the bond between staff, Volunteers, family members and residents that capture the American Spirit. Staff and residents view each other in the spirit of family. For staff, this reality is often a calling to a special mission and a life’s work. Please join us as we celebrate National Nursing Home Week.
