## Monthly Safety Topic

Please be sure to let a charge nurse or staff member know when you are planning on going outside on the terrace. It is important to have everyone accounted for.

Remember to drink plenty of water! It is very important to stay hydrated. If you are in need of fresh ice water just ask a staff Member to refill your pitcher.

Eating an Apple is a more reliable method of staying awake than consuming a cup of coffee. The natural sugar in an apple is more potent than the caffeine in coffee.
