Volunteer of the Month

“In this life we cannot always do great things. But we can do small things with great love.”

~Mother Theresa

“Lord, Give me the heart of a child, and the awesome courage to live it out.”

~Catherine Dougherty

Dogwood Village would like to recognize students from Grymes Memorial school for their contributions to the facility. For more than 20 years there has been a partnership between Dogwood Village and Grymes School; whereby, students have connected with our residents developing special relationships. These friendships often extend to visits with students and their family members. Typically second and third grade students are transported to the facility monthly to work on art projects, entertain and share seasonal songs with the adopt a grand friend program. This volunteer effort is greatly appreciated by residents, family members and Dogwood Village staff. Pictured is Resident Sarah Crigler and Samantha Goff.

This years annual volunteer luncheon will be held on April 26, 2017 at 12 noon in the Senior Living Community Room.
