Shake Out. Don't Freak Out.

www.ShakeOut.org

At 10:17 a.m. on October 17, 2019, millions of people will “Drop, Cover, and Hold On” in The Great South East Shake Out, the region's largest earthquake drill ever! Healthcare centers and other facilities are encouraged to participate in the drill. Major earthquakes may happen anywhere you live, work, or travel. The Shake Out is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, our facility, and our community. The drill will only last a few minutes. Workers will be there to assist with the drill so there is nothing to worry about.

Mr. Glen Reid was born and raised in Barboursville, Virginia and attended Orange County schools. He spent six years in the Army/Air Force and returned to his hometown. He claims he is a jack of all trades as he has held a variety of jobs. Glen has worked for the railroad, Virginia Metal, as a painter and a clerk at a truck stop. When asked which job was his favorite, he said he enjoyed all of his jobs especially since they were all different. Glen is very social; he enjoys socializing and joking around with other residents and workers throughout the day. He enjoys listening to bluegrass music, watching the birds and squirrels out the window and weekly visits from Luke, the therapy dog. Glen has been a resident at our facility since May 2015.
