Mr. James May was born March, 30th 1924 in Orange County, Virginia. This month he will be celebrating his 100th birthday! Mr. May has seen a lot of things over the last 100 years and is especially proud to call Orange his home. He served in WWII, lived in France and Belgium and returned home to his hometown of Orange where he married the love of his life, Joan, in 1953 and together raised two wonderful daughters. Mr. May is proud of his career. He worked for VMP (Virginia Metal Products) for over 30 years and retired as Executive of VMP when they closed in 1997.
