Shake Out. October 18, 2018
Don't Freak Out. Shake Out
www.ShakeOut.org

At 10:18 a.m. on October 18, 2018, millions of people will “Drop, Cover, and Hold On” in The Great South East Shake Out, the region's largest earthquake drill ever! Healthcare centers and other facilities are encouraged to participate in the drill. Major earthquakes may happen anywhere you live, work, or travel. The Shake Out is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, our facility, and our community. The drill will only last a few minutes. Workers will be there to assist with the drill so there is nothing to worry about.
