### Rehab Services Dogwood Village Offers:

**Rehabilitation:**

Rehab services are offered to individuals who require specialized individual treatment for medical conditions including, but not limited to: fractures, strokes, and heart disease. Our physical, occupational and speech therapists specialize in rehabilitation for seniors. All of our rehabilitation services are conveniently provided on-site at our well-equipped Rehabilitation Therapy Center by licensed physical, occupational and speech therapists. Our rehabilitation team develops a comprehensive plan of care to achieve an individual's maximum independence, quickly and safely.

**Physical Therapy-**

In a broad sense, the role of the physical therapist is to accelerate recovery by helping the body's natural healing process. To accomplish this, the physical therapist will help the resident improve muscle strength and coordination, manage pain and learn to

compensate for any physical limitations caused by illness or injury.

**Occupational Therapy-**

The occupational therapist will help the resident adapt to and overcome any physical limitations that may prevent independent living. Residents will be helped to relearn the skills needed in daily living, such as dressing, grooming, bathing, eating and homemaking. The occupational therapist will provide any adaptive aids necessary for assistance.

**Speech Therapy-**

The speech therapist works to help restore losses affecting the ability to communicate, remember and understand. In addition, the speech therapist can treat swallowing and chewing disorders, assist in coping with communication impairment and treat difficulties involved with processing, planning and memory.

### Play Ground Fund:

The Orange Downtown Alliance-Playground fund honoring Betty Glascock's granddaughter, Anna Schmelz has been met! Residents, staff and volunteers helped contribute over \$850 to this cause by hosting a bake sale and quilt raffle back in March! The playground equipment is on order and is to be installed this summer! Betty Glascock, Christine and Rob Bordendorf would like to thank all who contributed to the fund. Pictured in the upper left corner are Rob and Christine with Anna's daughter, their dranddaughter, Molly.

### Volunteer Spotlight:

Dogwood Village would like to recognize Fred Wease for his contributions to the facility. Mr. Wease grew up near Mount Vernon, Virginia. During the Great Depression, his father moved his family to Fairfax County. In 1943 Fred was drafted into the Army after which he was sent to Richmond, Virginia and then to Shelby, Mississippi as a 2<sup>nd</sup> Gunner and Ammunition Carrier in the 69<sup>th</sup> Infantry. Fred served his country until 1945 and received the Bronze Star, Purple Heart, and Prisoner of War metals for his service to his country. Fred has two daughters and two step-daughters and a multitude of grandchildren, great-grandchildren and great-great grandchildren. He has been a volunteer with Dogwood Village for over 25 years and he currently resides in Dogwood Village Senior Living. Fred continues to share his life stories with his friends and neighbors and looks forward to participating in many activities such as bingo, parties, and music programs. He enjoys spending time with his family and staff and keeps a very positive outlook on life.

### Primary Voting- Election June 11<sup>th</sup>

Tuesday, June 11, 2019 Democratic and Republican Primary Elections will be held in Orange Virginia. If you are interested in receiving an absentee ballot please contact the Activity Department as soon as possible. Last Day to request an absentee ballot by mail is June 4<sup>th</sup> by 5pm. Last day to vote absentee in person is June 8<sup>th</sup>. Democratic Primary Canidates for the Member of the Senate- 17<sup>th</sup> District include Amy J. Laufer or S. Ben Hixon. Republican Party Canidates include Bryce E. Reeves or Rich N. Breedon.

### Resident Spotlight: Herbert Breedon

Mr. Herbert Breedon grew up in Greene County along with his 8 brothers and sisters. Mr. Breedon's mother passed when he was a young boy so the siblings relied largely on each other growing up. Herbert left school at an early age and began working at a dairy farm until he moved to Orange. Quite regularly Herbert could be found dining at a restaurant in town, where he just so happened to meet his future wife Virginia. Herbert and Virginia had 4 children, Beverly, Dale, Debbie and Herbie. Both Herbert and Virginia worked for the Orange County Public School system for over 30 years. While he wasn't working Mr. Breedon could be found fishing or collecting rare coins. Though he has done and seen many things in his life nothing quite compares to the joy brought to him by his marriage to his wife Virginia. Many things could be said of Mr. Breedon but simply put he's a quiet man with a heart of gold, and in the words of his daughter Dale, "There's never been anything in my life that I've asked for that he didn't give me if he could."

### Staff Spotlight: Annette Putman

Our friend, Mrs. Annette Putman was born in Charlottesville, VA and spent the majority of her youth in Orange County. After graduating high school Annette went on to further her education at Bluefield and Olympic Colleges. For more than 20 years she has dedicated herself to the ever-evolving world of Health Care. Annette is married to Rick Putnam and has two children. Her daughter Lauren works as an RN in Arkansas and her son Ryan who is building a career in Computer Engineering in Oregon. Though she shares a special bond with both of her children it's undeniable that Annette adores her three grandchildren, Hunter, 10, Chelsea, 4, and Rowen, 18 months. Annette has worked as an Assisted Living Administrator as well as Director of a Memory Care unit for 6 years. Though the last five and a half years as Resident Service Coordinator at Dogwood have kept her undeniably busy, she still manages to find time to pursue her leisure interests such as shopping, salon trips, flying planes, decorating, playing the piano, and traveling.
