National Nursing Assistants Week

June 17-24, 2021

Certified Nursing Assistants (CNA's) represent an essential part of the patient-care team. They are the eyes and ears of every nurse! In assisting with medical staff, CNA's not only provide physical care for our residents but also emotional and spiritual support, truly making a difference in the lives of our residents and family members. Please be sure to thank our CNA's for all their hard work during their special week! We will be celebrating with an ice cream sundae social on June 18th at 2:00pm.

Windows are to be kept closed at all times to keep temperature regulated throughout the facility.

Hydration is extremely important, especially during the warm weather months. Be sure to drink plenty of fluids. If you do not have any ice water in your pitcher please ask a staff member to bring you some.
