Guiding Light

I love the summer's rays, shining from the sun the warmth of laughter with children having fun.

I love summer's breezes, gently drifting in the air the sounds of pure delight when the weather is fair.

I love summer's laziness, the strolls down the lane the sound of peacefulness upon summer's gentle rain.

I love summer's smells, fragrant with memories the happy thoughts wafting of BBQ's, friends and families.

I love summertime, it's smells, sights, its sounds I love that God blesses me when summer comes around!

Resident Spotlight-

Mrs. Betty Colvin grew up in Gordonsville, VA along with her sister Eugenia. Throughout her early years her family spent time in Gordonsville, Barboursville, and Orange. Betty graduated from Orange County High School and later took a job working for Frey Insurance. As luck would have it a friend introduced Betty to her future husband who happened to be a Navy Sailor home on leave. After meeting the couple knew they were meant to be together and soon after Warren got out of service the couple was married and began a family of their own. The couple had 4 children, Stephanie, Stephen, Edwin and a son whom passed away at a young age. Betty has been a lifelong member of Barboursville Methodist Church and finds comfort and strength in her faith. Through the years Betty has dabbled in many hobbies but some of which she's most fond of include: reading, gardening, and antiquing. In all her years nothing has brought her more joy than being able to watch her children and grandchildren grow up and become successful.

Staff Spotlight-

The one and only, Ms. Cornelia Braxton was born in Charlottesville, VA but has spent the majority of her life in Orange County growing up with her brother and five sisters. With all the siblings together, there was never a dull moment. After graduating Orange County High School, Cornelia went on to further her education at Piedmont Technical School. For three years Cornelia studied hard and never missed a day while earning her Cosmetology License. Once Cornelia was licensed and had become settled, she began welcoming children into her family, she first had her son Gerel, and 10 years later welcomed a second son J'Air. In March of 2020, Cornelia will be celebrating 30 years of dedicated service to the residents of Dogwood Village. In all her years of tending to the cosmetic needs of the residents Cornelia says she's most enjoyed listening to their stories and enjoying their wealth of knowledge. When she isn't working, she can be found singing in her church's choir, taking ZUMBA classes, home decorating and surprisingly, mowing the lawn. If she could give any new staff member a bit of advice it would be, "keep an open mind and enjoy what you do or you don't need to be doing it."
