Residents Council Meeting, May 7th
10am EM & WM
2pm SM, SG, EG

We would like to thank all of our volunteers, family members and community members for all the love and support you have given us during this pandemic. You brightened our days and lifted our spirits!

With warmer weather upon us, more activities will be scheduled outdoors. Please be sure to wear appropriate clothing. It is also very important to ask your aid or charge nurse to apply sun screen when going outdoors. Sunglasses and a hat are also very helpful to shade out the afternoon sun.

Welcome BACK!

We Missed You!!

We are so glad to be able to have visitors back at our facility. We missed you all so much! Please be sure to call Shelly Shifflett to schedule your appointment to visit. (540) 661-3100 x7077.

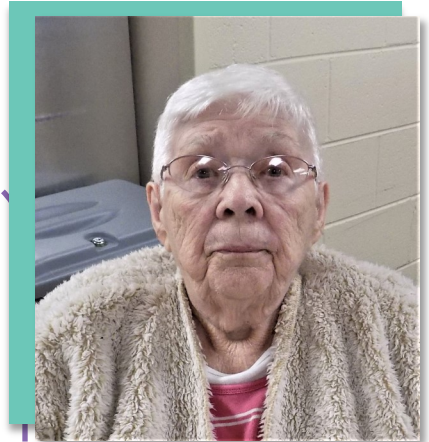

Our faithful volunteer, GW Plumb is also back!

GW has been visiting our residents daily, He has been sharing the “daily tip of the day” that is attached to the back of his wheelchair.
