## Changes in Nursing Leadership

There has recently been some changes in the nursing department, many of you are already aware of. Eva Swann is now our Night Shift Supervisor, residing in the ground floor UM office on EG, extension 7082. Katherine Stutzman is our new Evening Shift Supervisor and she can be found in the main floor UM office on WM, extension 7083. Please welcome them to their new positions.

## Resident Spotlight

Mr. Alan Roper was born March 20, 1957 in Charlottesville, VA. He lived in Kentucky and North Carolina before recently moving back to Orange, VA to be closer to family members. Alan moved to Dogwood Village from Autumn Care of Madison, VA in December 2017. He is very social, enjoys telling jokes and participates in a variety of activities. He loves to sing and is a Carolina Panthers fan. Please help us welcome him to our facility.

# Friendly Reminder...

## Gifts and Tipping Facility Policy:

Accepting monetary or large gifts for services rendered is prohibited. Offers should be refused politely, but firmly. Small gifts other than money, such as candy or flowers may be accepted. If a family/resident insists on a large or monetary gift, inform them that it will be turned over to the Executive Director to be used at the facility's discretion. Also, Solicitation, regardless of how subtle, or personal gifts, tips, or loans from residents or their families violates our policies.

Please remember to label any new items (clothing, blankets & personal items) with your name before sending to laundry so they can be returned to their owner.

We would like to thank everyone for their generosity during the holiday season. Dogwood Village is truly blessed to have such wonderful community members.
