

# COVID-19 (Week 15) NEWSLETTER

*We continue to be resident COVID-19 free!*

#Break the Chain

This week's updates are noted below:

- Donations have been received from:
  - Terry Crider made a large donation of food items for the team members in need;
  - Woodmark brought by some homemade cards for the residents
- Wednesday of this week, barring any changes made by VDH, the Department of Health will be performing COVID-19 testing on 100% of our residents and our team members. The National Guard will be assisting with this effort. If they are called to deal with the protests, this day may change. Responsible Representatives will be contacted to obtain consent for this testing of your loved one(s) unless they are their own representative. We will keep you informed.
- Window visitation has started and has been very well received by all. Some very emotional moments for all have been experienced.
- We have had NO further positive tests with either residents or team members. Great news!!
- We continue to monitor the various phases for reopening our businesses throughout the Commonwealth. At this time, there is still no change as to when we will be able to open.
- REMEMBER the June 10<sup>th</sup> parade. Decorate your car and come by to be a part of the parade. We will have the residents outside, pending weather, to participate in the grand event. Our last parade was very successful and brought tears to many eyes. We do appreciate your ongoing support and look forward to seeing you in our next parade.
- REMINDER—Face Timing has been going well. Many residents have had the opportunity to speak with their loved ones in this manner. It brings many smiles to

their faces. Please do not hesitate to contact us for assistance. We have the equipment. As long as you have a Smart Phone, we can make it work.

- We continue to have a good stock of PPE.
- Donations of non-perishable food items for our team members are still being accepted.
- Remember, to send our team members a card of thanks. They are truly HEROES and working very hard to keep your loved ones safe.

Thank you all for your continued support and understanding. We appreciate your cooperation with the necessary restrictions. Each day is a new day and we are working toward continued safety for our residents.

**All updates are on Facebook and our website.**

Yours to count on—
