

COVID-19 (Week 22) NEWSLETTER

We continue to be COVID-19 free!

#Break the Chain

This week's updates are noted below:

- Donations have been received:
 - Family Dollar donated some cookies to the team.
 - Dora Justus with Food Lion donated several magazines, word-find books, crossword puzzles, and other books for residents.
 - Joann and Conway Faulconer donated 2 large bags of Beanie Babies.
 - We continue to receive several donations of cloth masks. Thanks to everyone as these are much needed items.
- Our testing occurred on July 16th. We want to thank the National Guard (VANG), once again, for their efficiency and support during this process. We received our results and we are **100% negative**, staff and residents. Thanks to our team for their continued hard work in maintaining our negative COVID status. And, thanks to all of our families for your continued support and understanding.
- Per the guidelines of VDH and the CDC, we will be testing again on 7/23. If all of those tests return negative, we will not need to test again unless we have someone become symptomatic and their test is returned as positive.
- PPE, at this time, is still in good supply and we continue to receive our orders on a regular basis.
- Our residents are starting to get used to having to wear their masks. They are being more responsive and wearing them properly. We thank you for your support in this area as this will help us to maintain our COVID negative status.
- A special thanks to our Commission Board for their support. They provided an ice cream social for our team members and served them. We truly appreciate all of their support.

- REMEMBER—Face Timing/Window Visits with your loved one. We continue to have many residents participating in the window visits. It is a nice time for them to reconnect with family.
- Remember, to send our team members a card of thanks. They are truly HEROES and working very hard to keep your loved ones safe.

Thank you all for your continued support and understanding. We appreciate your cooperation with the necessary restrictions. Each day is a new day and we are working toward continued safety for our residents.

All updates are on Facebook and our website.

Future updates will be every other week unless we have pertinent information.

Yours to count on—

Pamela E. Doshier, NHA, MBA, CDP
